EDUCATION

Bachelor of Science in Information Technology (BSc.IT) – Mumbai University (2023–2026) – CGPA: 7.41 / 10

Higher Secondary Certificate (HSC) – Commerce – Durgadevi Saraf Junior College (2021–2023)

PROJECTS

[business-agency-template](#) (HTML,CSS)

Designed and developed a multi-page Business Agency website template using HTML and CSS. The project includes structured sections like Home, About, Services, Blog, Team, and Contact, with modern UI/UX principles, responsive layout, reusable components, and interactive elements such as hover effects and animations.

[product-filter-app](#) (HTML,CSS ,JS)

Developed a responsive product filtering application using HTML, CSS, and JavaScript. Implemented category-based filtering, dynamic DOM manipulation, and interactive UI to improve product browsing experience.

Professional Experience

Software Developer Intern (Remote) IN Prodigy InfoTech

Duration: 1 Month(15 November - 15 December)

- Developed responsive web applications using HTML, CSS, JavaScript, and Python.
- Assisted in building backend functionality using Python, Django, and REST APIs.
- Performed testing, debugging, and code optimization to improve application performance
- Collaborated remotely with team members using Git and GitHub for version control
